

# KYRIAKOS ANTONIOU

## E-mail

[kyriakos.antoniou@cut.ac.cy](mailto:kyriakos.antoniou@cut.ac.cy)

## Personal Website

[www.kantoniou.com](http://www.kantoniou.com)

## Employment

- January  
**2021-** **Cyprus University of Technology, Department of Rehabilitation Sciences**  
Special scientist
- September  
**2020-** **Cyprus University of Technology, Department of Rehabilitation Sciences**  
December  
**2020** Visiting Assistant Professor
- 2017-2020** **University of Cyprus, Center for Applied Neuroscience & Department of Psychology**  
Postdoctoral fellow to implement the project *Inside the bi-dialectal mind and brain: An electrophysiological study on executive functions.*
- 2016-** **Hellenic Open University, School of Humanities**  
Adjunct faculty member (tutor) for the distance-learning postgraduate course *Language Development* offered as part of the postgraduate programme *Master's in Education Sciences.*
- 2016-2017** **University College London, Department of Linguistics**  
Teaching fellow to teach the course *Semantic-Pragmatic Development* (offered to final-year undergraduate and master's students).
- University of Cambridge, Department of Theoretical and Applied Linguistics**  
Adjunct faculty member to teach the master's seminar *Experimenting with Meaning*
- 2015-2016** **Université libre de Bruxelles, Département de Langues et Lettres/LaDisco**  
Wiener-Anspach postdoctoral fellow to implement the project *Bilingualism, pragmatics, and cognition in children with autism* (Wiener-Anspach project).
- 2014-2015** **University of Cambridge, Department of Theoretical and Applied Linguistics**  
Postdoctoral researcher (Research Associate) in the project *The impact of bilingualism and bi-dialectalism on linguistic and cognitive development.*

## Education

- 2010-** **University of Cambridge (Fitzwilliam College), Department of Theoretical and Applied Linguistics**  
viva in PhD in Theoretical and Applied Linguistics  
November  
**2014**
- 2009-2010** **Open University of London, Subject area: Psychology**  
Postgraduate course: Advanced Experimental Design and Analysis.
- 2008-2009** **University College London, Faculty of Life Sciences, Department of Linguistics**  
MA Linguistics.
- 2004-2008** **National Kapodistrian University of Athens, Faculty of Philology, Department of Linguistics**  
Ptychion (equivalent to BA (Hons.)) in Greek Literature with a direction in Linguistics.
- 2002-2004** **National Guard of Cyprus**  
Served in the Special Forces of the National Guard of Cyprus as a cadet officer.

## Grants, Scholarships, and Prizes

2017-2019	<b>European Commission, Marie Skłodowska-Curie Actions</b> Two-year individual fellowship at the University of Cyprus to implement the project <i>Inside the bi-dialectal mind and brain: An electrophysiological study on executive functions</i> .
2015-2016	<b>Wiener-Anspach Foundation, Belgium</b> One-year postdoctoral fellowship at the Université libre de Bruxelles to investigate the cognitive and pragmatic skills of bilingual children with autism.
2011-2014	<b>Alexander Onassis Public Benefit Foundation, Greece</b> Full doctoral Scholarship
2010-2013	<b>PhD Bursary, Department of Theoretical and Applied Linguistics, University of Cambridge</b>
2011-2013	<b>E. D. Davies Scholarship, Fitzwilliam College, University of Cambridge</b>
2011-2012	<b>EURO-XPRAG Network, European Science Foundation</b> Travel grant for collaborative research in Experimental Pragmatics (with Napoleon Katsos, Kleantes Grohmann, and Maria Kambanaros).
2011-2013	<b>College Senior Scholarship, Fitzwilliam College, University of Cambridge</b> Small honorary prize awarded by the tutorial committee of Fitzwilliam College.
2013	<b>Language Sciences in the 21st century: The interdisciplinary challenge, Cambridge, UK</b> 1 <sup>st</sup> prize for best poster presentation

## Publications

### Refereed

#### Articles in peer-reviewed journals

2020	<u>Antoniou, K.</u> , Veenstra, A., Kissine, M., & Katsos, N. (2020). How does childhood bilingualism and bi-dialectalism affect the interpretation and processing of different types of implicature? <i>Bilingualism, Language and Cognition</i> , 23, 186-203. doi:10.1017/S1366728918001189.
2018	Deliens, G., <u>Antoniou, K.</u> , Clin, E., Ostashchenko, E., & Kissine, M. (2018). Context, facial expression and prosody in irony processing. <i>Journal of Memory and Language</i> , 99, 35-48.  Veenstra, A., <u>Antoniou, K.</u> , Katsos, N., & Kissine, M. (2018). Resisting attraction: Individual differences in executive control are associated with subject–verb agreement errors in production. <i>Journal of Experimental Psychology: Learning, Memory, and Cognition</i> , 44, 1242-1253.
2017	<u>Antoniou, K.</u> , & Katsos, N. (2017). The effect of childhood multilingualism and bilectalism on implicature understanding. <i>Applied Psycholinguistics</i> , 38, 787-833.  Deliens, G., <u>Antoniou, K.</u> , Clin, E., & Kissine, M. (2017). Perspective-taking and frugal heuristics: evidence from sarcasm detection. <i>Journal of Pragmatics</i> , 119, 33-45.
2016	<u>Antoniou, K.</u> , Grohmann, K., Kambanaros, M., & Katsos, N. (2016). The effect of childhood bilectalism and multilingualism on executive control. <i>Cognition</i> , 149, 18-30.  <u>Antoniou, K.</u> , Cummins, C., & Katsos, N. (2016). Why only some adults reject under-informative utterances. <i>Journal of Pragmatics</i> , 99, 78-95.
