

# Curriculum Vitae

## Prof. Kakia Petinou, Ph.D., SLP

Founder and Director of *THERALAB*  
School of Health Sciences  
Department of Rehabilitation Sciences  
Speech Language Pathology Program

Contact Information:  
Cyprus University of Technology  
Address: 15 Vragadinou st.  
e-mail: [kakia.petinou@cut.ac.cy](mailto:kakia.petinou@cut.ac.cy)  
Tel.: +35725002497 or +35799409449

**ORCID ID:** 0000000165805190  
**Scopus ID:** 7801505196  
**Researcher ID:** 697072-2019  
**Total citations:** 500 (COMBINED ALL SEARCH MACHINES)  
**H10-index:** 14  
**Citations:** 600

### ACADEMIC EDUCATION:

1983-1987      **University of Georgia**  
Athens, GA, USA  
**Bachelor of Science (B.Sc.)**  
**Major in Speech and Language Pathology**  
Award: Cum Laude

1987-1989      **University of Georgia**

Athens, GA, USA  
**Master of Education (M.Ed.)**  
**Major in Speech & Language Pathology**

1993-1998      **City University of New York Graduate Center**  
New York, NY, USA  
**Doctorate Degree (Ph.D.)**  
**Major in Speech & Hearing Sciences with a Specialization**  
**in Developmental Psycholinguistics**

**RESEARCH EXPERIENCE:**

1993-1995      **Graduate Research Assistant**  
City University of New York  
Developmental Psycholinguistics Laboratory  
33 West 42nd street  
New York, NY 10036  
Phone: (212) 642-2544

1994-1998      **Graduate Research Assistant**  
Speech Language & Hearing Laboratory  
Albert Einstein College of Medicine  
Clinical Research Center for Communicative Disorders  
Speech & Language Laboratory  
Rose F. Kennedy Center  
1300 Morris Park Avenue  
Bronx, NY 10461-1602  
Phone: (718) 430-2738

1998- 2000      **Post-doctoral fellow**  
Albert Einstein College of Medicine  
Clinical Research Center for Communicative Disorders  
Speech and Language Laboratory  
Rose F. Kennedy Center  
1300 Morris Park Avenue  
Bronx, NY 10461-1602  
Phone: (718) 430-2738

2001- 2005      **Primary Investigator & Research Collaborator**  
Department of Clinical Genetics,  
Cyprus Institute of Neurology & Genetics.  
Research Grant# 48/2001, Cyprus Institute of Research  
Promotion (IPE) titled 'Linguistic & Genetic factors in the  
prognosis of children with late onset of expressive language',  
funded by the Cyprus Institute of Research Promotion.  
Cyprus Institute of Neurology & Genetics,

PO BOX 23462, Nicosia, 1683, Cyprus

- 2006-2009 **Primary Investigator project**, Cyprus Institute of Research Promotion (IPE): **CY/GR/017** “Grammatical skills in Children with Specific Language Impairment” through international research collaboration Aristotle University Thessaloniki and European University Cyprus, 6 Diogenous Street, PO BOX 2200, Nicosia, 2004, Cyprus.
- 2009-2013 **Primary Investigator project**: “Grammatical skills in Children with typical language development”, Internal Faculty Research Grant, European University Cyprus.
- 2010-2013 **Partner Investigator, WG13 CPLOL** project: “NetQuest: Network Tunning for Quality and Educational Standards” L.I.F.E. long learning European Project
- 2014-Present **Founder and Director of “TheraLab”**  
School of Health Sciences  
Department of Rehabilitation Sciences,  
Program in Speech Language Therapy  
Cyprus University of Technology  
Internal Faculty Research Grant  
Cyprus University of Technology
- 2015-2020 **Research collaborator** and work group committee member (WG 1) COST Action IS1406: **Enhancing children’s oral language skills across Europe and beyond** – a collaboration focusing on interventions for children with difficulties learning their first language
- 2019-2020 **Primary Investigator** on Innovation Coupons Cyprus Research Promotion Foundation INNOVATION COUPONS RESTART CALL. In collaboration with MCD Beyond Speech Ltd, Cyprus Association of Registered Speech Pathologists & Cyprus Speech Pathology Registration Council: **“Language Assessment Battery Cyprus”**
- 2021-2022 Internal Research Grant POST DOCTORAL (20,000 EURO)  
**CO-PI** with Dr. Kyriaki Kyriacou  
VO.CA.L Program on voice risk factors
- 2022-2023 Internal Research Grant POST DOCTORAL (20,000 EURO)  
**CO-PI** with Dr. Kyriakos Antoniou  
BiAustism BILINGUALISM in ASD

**TEACHING EXPERIENCE:**

Academic Year 1999-2000: **Adjunct Lecturer**

Stern College for Women, Touro College &  
University of Yeshiva  
Department of Communication Sciences  
Albert Einstein College of Medicine  
245 Lexington Avenue, New York, NY 10016  
Phone: (212) 340-7720

Courses taught:

1. Phonetics & Phonology
2. Developmental Psycholinguistics
3. Introduction to Language Development

*Responsibilities involved the design and assignment of academic courses and procedures for program accreditation, in close collaboration with Dr. Lindy Lubinski CCC-SLP, instructor of Speech Pathology, Touro College.*

Fall 2001- Spring 2002:

**Visiting Assistant professor**

Department of English Language Studies  
University of Cyprus

Courses taught:

1. Phonetics & Phonology
2. Topics in Language Development & Language Disorders

*AND*

Department of Byzantine & Modern Greek  
University of Cyprus

Courses taught:

1. Introduction to Psycholinguistics
2. Topics in Language Development & Language Disorders

Fall 2003-Spring 2004:      **Adjunct Assistant Professor**  
University of Nicosia, Cyprus  
Department of English Language

Courses taught:                      Phonetics & Phonology

Year 2004-2008:                      **Assistant Professor of Linguistics**  
The School of Humanities & Social Sciences  
Cyprus College

Courses Taught:                      1. Phonetics & Phonology  
2. Psycholinguistics  
3. Second Language Acquisition  
4. Sociolinguistics  
5. Topics in Language & Behavior  
6. Language Disorders & Language Processes  
7. Fundamentals of Communication  
8. Psychology of language and reading  
9. Psychology of language in preprimary education  
10. Developmental Language Disorders

Year 2009-2013:                      **Associate Professor of Speech & Language Pathology**  
School of Social & Behavioral Sciences  
Program of Speech & Language Pathology  
European University Cyprus

Courses Taught:  
(Greek & English)                      1. Phonetics & Phonology  
2. Psychology of Language  
3. Phonological Development & Phonological Disorders  
4. Language Disorders in Children  
5. Language Acquisition  
6. Diagnostics in Speech and Language Pathology  
7. Clinical Practicum & Supervision  
8. Academic Writing

*Responsibilities also involved acting as co-coordinator of the Bachelor's and Master's Program in Speech and Language Pathology, European University Cyprus and course preparation, course design, and ECTS preparation.*

Year 2013-2021                      **Associate Professor of Speech & Language Pathology**  
School of Health Sciences  
Department of Rehabilitation Sciences  
Program in Speech & Language Pathology  
**Cyprus University of Technology**

Courses Taught:  
In Greek and English

1. Phonetics & Phonology
2. Phonological Development & Phonological Disorders
3. Language Acquisition
4. Developmental Language Disorders
5. Introduction to Linguistics
6. Motor Speech Disorders
7. Craniofacial anomalies and Genetic Syndromes
8. Aural Réhabilitations
9. Seminars in Speech Pathology
10. Audiological issues in SLP
11. Neurolinguistics & Psycholinguistics for Speech Therapists

*Also co-coordinator, Bachelor's AND coordinator Master's Program in Developmental Communication Sciences & Disorders, Cyprus University of Technology. Involved in course preparation, course design, ECTS preparation for aforementioned courses and submission to Cyprus Quality Assurance Body (DIPAE).*

**2020-Present**

**Professor** and Coordinator Graduate Program  
Master of Science Developmental Speech & Language Disorders

**Courses taught:**

1. Seminar in clinical case studies
2. Recent Advances in the differential diagnosis and intervention in Speech Sound Disorders Intervention advance

**ADMINISTRATIVE DUTIES:**

2014-2017:

**Department Chair** of Rehabilitation Sciences Program, Cyprus University of Technology

2020-Present:

**Second Term Department Chair** of Rehabilitation Sciences Program, Cyprus University of Technology

**Deputy Dean**, School of Health Sciences, Cyprus University of Technology

2018-Present:

**Coordinator** of Master's Program in Developmental Communication Sciences and Disorders Cyprus University of Technology

2018-2020:

**Member of the Senate** Cyprus University of Technology

2017-2019:

**Chair of Committee for Student Affairs**, Cyprus University of Technology

2022-Present:

Member of Επιτροπή Πειθαρχικού Ελέγχου ΕΠΕ ΤΕΠΑΚ

2014-2016:

**Chair** of Department Committee of Undergraduate Studies

2017-Present:

**Chair** of numerous hiring and promotion committees Cyprus University of Technology (currently chairing two new position hiring committees and one internal promotion)

2019-Present:

**Chair** of the Autism Spectrum Committee of the International Association of Communication Disorders and Sciences IALP

2020-Present:

**Member** of the Cyprus Association of Registered Speech Therapists Ethics and Legislation Committee

2020-Present:

**Member** of the Cyprus National Committee of Substance Abuse

**CLINICAL EXPERIENCE:**

- 1988-1989: Clinical Fellow Veteran's Administration Hospital, Atlanta, GA, USA under the supervision of Dr. Ruth Berman
- 1989-1992: Speech Pathologist at the "Nicosia Special School" for children with special needs
- 1989-1992: Speech Pathologist, Rehabilitation Center for children with Cerebral Palsy, Nicosia, Cyprus
- 1993-1995: Speech pathologist at the United Cerebral Palsy (UCP) Center, Manhattan Branch, NY, NY, USA
- 1995-1998: Speech pathologist at P.S.C.H. Rehabilitation Clinic, Astoria, NY, USA
- 1997-1999: Speech pathologist at HEARTSHARE institute for the mentally handicapped, Flushing, NY, USA.
- 2000-2013: Part time private practitioner of Speech language pathology, Nicosia, Cyprus.
- 2010-2013: Clinical Supervisor, European University Cyprus Speech, Language and Hearing Clinic.
- 2013-current: Consultant Speech and Language Pathologist under the Auspices of THERALAB
- 2020-Presnt Speech and Langue consultant RESILIENT LIVES CLINCAL CENTER

**PROFESSIONAL AFFILIATIONS:**

1989-Present	Member of the Cyprus Association of Speech Therapists
1991- 2017	Certified Speech Language Pathologist, Certificate of Clinical Competence, CCC-SLP, Member of ASHA number 01103704, Pending Renewal of CCCs.
1997-2010	Member of the Society for Research in Child Development

2010-Present	Member of the International Association of Communication Sciences and Disorders ex Logopedics and Phoniatics (IALP)
2010-2019	Member of the Child Language Scientific Committee, International Association of Logopedics & Phoniatics (IALP)
2019-Present	Active Consultant Member Scientific Committee on Child Language Disorders International Association of Logopedics & Phoniatics (IALP)
2019-Present	Chair of the Autism Spectrum Disorders Scientific Committee, International Association of Logopedics & Phoniatics (IALP)
2003-2007	Cyprus Delegate to the Permanent European Association of Logopedics (CPLOL) (Domain of European Research Collaboration Project)
2003-2008	Member of the Registry Council for Speech Pathologists, Cyprus Ministry of Education
2004-2010	Member of the Committee for Students with Special Needs, European University Cyprus Team
2010-2014	President of the Cyprus Association of Registered Speech & Language Pathologists
2013-2017	Chair of the Committee for Student Affairs Cyprus University of Technology
2013- Present	Academic Program & Faculty Promotion Evaluator APELA, Greece
2013- Present	Academic Degree Evaluator for Cyprus Registry of Diploma Evaluation KYSATS
2020- Present	<b>Member</b> of the Legislative and Bylaw Committee, Cyprus Association of Registered Speech & Language Pathologists
2020-Presnt	Speech and Langue <b>consultant</b> RESILIENT LIVES CLINICAL CENTER

2019-Present **Chair** of the Autism Spectrum Committee of the International Association of Communication Disorders and Sciences IALP

2020-Present **Member** of the Cyprus National Committee Substance Abuse

2020-Present **Member** of the Cyprus Association of Registered Speech Therapists Ethics and Legislation

**RESEARCH GRANT AWARDS:**

**DOCTORAL STUDENT FELLOW & GRADUATE ASSISTANT:**

**January 1993-June 1995:**

Graduate Research Assistant C/O Dr. Richard Schwartz: "Input-output relationship in children with SLI". NIDCD, **Funded 660,000 USA Dollars**

**September 1994-June 1999:**

Graduate Research Collaborator C/O Dr. Richard Schwartz: "Linguistic skills and language intervention in toddlers with recurrent otitis media". Supplement Research Grant NIDCD, **Funded 250,000 USA Dollars.**

**AS PRIMARY INVESTIGATOR(PI):**

**September 2001- December 2005:**

**Primary Investigator** for research project by the Cyprus Institute of Research Promotion A research project examining the linguistic and genetic factors in the prognosis of children with late onset of expressive language. Project housed at the Cyprus Institute of Neurology & Genetics. **Funded 120,000 euro.**

**September 2005- June 2010:**

**Primary Investigator** of European University Internal Faculty Research Grant Awards for a series of projects, **Funded, 10,000 euro:**

- "Phonological and lexical skills of Cypriot-Greek speaking toddlers
- "Linguistic skills of normally developing and late talking toddlers
- "Lexical development in children 12-14 months"
- "Grammatical skills in Children with typical language development"
- Scientific Publication Award for the monograph: Theoretical and Clinical Issues in Phonetics and Phonology: Epifaniou Publications.

**September 2007- December 2011:**

**Primary Investigator**, Research Grant Awarded to Kakia Petinou by the Cyprus Institute of Research Promotion in the 7<sup>th</sup> Framework (Diakratika) Aristotle University, Thessaloniki project title: “Grammatical learning in Cypriot and Greek children with specific language impairment”, **Funded 30,000 euro.**

**September 2014- December 2016:**

**Primary Investigator** and founder of THERALAB: Developmental Speech and Language Parameters and protocols for early assessment, Start Up Research Grant, Cyprus University of Technology, **Funded 40,000 euro**

web page <http://theralab.cut.ac.cy>

**April 2018-April 2020:**

**Primary Investigator** Knowledge Intensive Organization & TheraLab: Innovation Coupons submitted, August, 2018 Through Cyprus Research Promotion Foundation **INNOVATION COUPONS RESART CALL with MCD Beyond Speech Ltd. “Language Assessment Battery Cyprus” DOKIGLO TEST, Funded 5,000.**

**Primary Investigator:** “Language Assessment Battery” through the Cyprus association of Speech Pathologists & The Council for SLT registration and Licensure, **Funded 8,000 euro.**

**AS PARTNER AND COLLABORATOR:**

**September 2010- June 2013:**

**Partner P13** “NetQuest” research collaboration of the CPLOL titled: Network for tuning standards in speech therapy. Life Long Learning Program. **Funded CPLOL 700,000 euro**

**April 2015-April 2020:**

**Research collaborator** WG1 member [1] COST Action IS1406: Enhancing children’s oral language skills across Europe and beyond – a collaboration focusing on interventions for children with difficulties learning their first language focusing on Systematic Reviews (SR) in intervention studies for Cross-language Speech Sound Disorders (SSD). **Funded (700,000 euro)**

**Collaborator & Partner Project “Better Start National Science Challenge”, Gail Gillon, University of Canterbury, NZ as PI based on the International Collaboration**

through the International Association of Logopedics & Phoniatrics (IALP) Child Language Science Committee. This 10-year National Science Challenge funded by MBIE (34Million) focuses on the prediction, prevention and treatment of obesity, literacy and learning problems, and mental health problems for New Zealand's vulnerable children with cross-linguistic pilot data interphase. **Funded 34M euro.**

### **Submitted Research Grant proposals 2010-2020:**

#### **February 2018:**

**Primary Investigator** in collaboration with Prof Gail Gillon: Grant Application submitted April 2018 Through Cyprus Research Promotion Foundation DUAL COLLABORATOR "RE-START" CALL with the University of Canterbury, NZ on the "**Linguistic Outcomes and Growth Onset of Speech (LOGOS project)**" project. Evaluation grade **13.75/15. Not funded due to exhaustion of funds. Will resubmit budget 100,000 euro.**

#### **April 2019:**

**Co-Investigator** "RE-START" CALL with the University of St Petersburg, Russia "**Assessment Speech Production Expression Communication Targets) (ASPECT project)**". Evaluation grade **13.2/15 Not funded will resubmit. 80,000 euro**

#### **April 2020:**

**Partner** in an **Erasmus+** application titled: **Development of multimedia educational database for bilingual children and multicultural families**, Action: Strategic Partnerships for higher education (KA203) Call for proposals: 2020, National Agency: BG01 Human Resource Development Centre (HRDC) Legal name: TECHNOLOGIKO PANEPISTIMIO KYPROU, Organisation ID: E10208024 Legal Representative Panayiotis Zaphiris, Contact person Kakia Petinou, Submission ID 1652793, Form ID: KA203-AD9ED812, **Budget 300,000 euro, Not Fundd**

#### **May 2020:**

Primary Investigator in Cyprus SEEDs Research Foundation. Pre- Proposal submitted titled: **Testing of Productive Speech (TOPS project)**. A computer-based algorithm for phonological assessment across children and across pathologies, Budget 50,000 euro, **Not Funded.**

**January to December 2021:**

Internal Research Grant POST DOCTORAL (20,000 EURO)CO-PI with Dr. Kyriaki Kyriacou VO.CA.L Program on voice risk factors **Funded**

**May 2022-June 2023**

Post-Doctoral Research Grant: Bilingual issues in Autism Spectrum Disorders as co-investigator with Dr. Kyriakos Antoniou, Research Fellow CUT, 20,000 **Funded**

**May 2022-May 2025**

Products for Evaluating Developmental Indexes. Grant proposal submitted to Cyprus Research and Innovation Foundation, CO-DEVELO call. Petinou PI, 600,000, **Pending second round assessment.**

**PUBLICATIONS IN PEER-REVIEWED JOURNALS**

**TOTAL CITATIONS 600 (COMBINED SEARCHING MACHINES)**

### **CONFERENCE PRESENTATIONS & INVITED TALKS:**

1. Schwartz, R., **Petinou, K.**, Goffman, L., & Davidson-Bryan, C. (November, 1993). Children's production of stressed and unstressed syllables in novel words. Paper presented at the Annual Convention of American Speech-Language-Hearing Association, Anaheim, CA.
2. Schwartz, G., Gerenser, J., **Petinou, K.**, Cartusciello, C., & Davidson-Bryan, C. (November, 1993). Children's preference for stress (intonational) and segmental (phonological) information in novel words. Paper presented at the Annual Convention of the American Speech-Language-Hearing Association, Anaheim, CA.

3. Schwartz, R., Davidson-Bryan, C., **Petinou, K.**, Gerenser, J., & Cartusciello, C. (November, 1993). Perception-production relationships in normal and specifically language-impaired children. Paper presented at the Annual Convention of the American Speech-Language-Hearing Association, Anaheim, CA.
4. Gerenser, J., Erickson, F., Schwartz, R., Jarmulowicz, L., **Petinou, K.**, Davidson-Bryan, C., & Lazowski, J. (November, 1994). Can children learn words from television?. Paper presented at the Annual Convention of the American Speech-Language-Hearing Association, New Orleans, LA.
5. **Petinou, K.**, Mody, M., Schwartz, R., Gravel, J., Ellis, M., & Lee, W. (June, 1995). The impact of otitis media with effusion on early speech development: Phonetic Inventories. Paper presented at the Sixth International Symposium on Recent Advances of Otitis Media, Fort Lauderdale, FL.
6. Schwartz, R., Jarmulowicz, L., Cartusciello, C., Gerenser, J., & **Petinou, K.** (November, 1995). Recent research in speech perception and production in Specific Language Impairment. Paper presented at the Annual Convention of New York Speech-Language-Hearing Association, New York, NY.
7. **INVITED Petinou, K.** (September, 1996). Communication problems in children with developmental disabilities. Paper presented at Grand Rounds Seminar of Professional Services for the Handicapped Organization. Queens, NY.
8. **Petinou, K.**, Mody, M., Schwartz, R., & Gravel, J. (November, 1996). Babbling characteristics of children with and without otitis media: Phonetic inventories. Paper presented at the Annual Convention of the American Speech-Language-Hearing Association, Seattle, WA.
9. **INVITED Petinou, K.** (May, 1997). The transition from babbling to the production of first words. Lecture presented at Intercollege, Nicosia, Cyprus.
10. **INVITED Petinou, K.** (March, 1998). Phonological awareness skills and their importance in predicting reading readiness in preschool-children. Paper presented at the International Conference on "Computers & Dyslexia" Center for Neuroscience and Technology Institute, Nicosia, Cyprus.
11. **Petinou, K.**, & Minaidou, D. (May, 1998). Interaction between phonological awareness and language skills in children at risk for reading failure. Lecture presented at Intercollege, Nicosia, Cyprus.
12. **Petinou, K.**, & Schwartz, R. (June, 1998). Perception of phonological and morphological /s/ in two-year olds with and without fluctuating hearing loss using the preferential looking paradigm. Paper presented at the Symposium on

Child Language Disorders, Society for Research in Child Development. Madison, WI, USA. \_

13. **Petinou, K.** (November, 1998). Linguistic deficits in children with Attention Deficit and Hyperactivity Disorder, Paper presented at the 2<sup>nd</sup> National Conference of the Pancyprrian Association for the Promotion of Mental Health in Children and Adults, Nicosia, Cyprus
14. **INVITED Petinou, K.** (April, 1999). The impact of otitis media on language skills and the role of the educator. Lecture presented at the Department of Educational Sciences, Spring Colloquia Series, University of Cyprus, Nicosia, Cyprus.
15. **INVITED Petinou, K.** (May, 1999). Cross-linguistic data on Specific Language Impairment: A review of the current literature and hypotheses pertaining to the Greek Language. Second International conference on language disorders, Cyprus association of Logopedics, Nicosia, Cyprus.
16. Terzi, A. & **Petinou, K.** (September, 1999). Clitics in child language delay. Paper presented at GALA 1999 Conference on Generative Approaches to Language Acquisition, University of Potsdam, Germany.
17. **Petinou, K., & Terzi, A.** (September, 1999). Clitic (mis)placement in Cypriot-Greek normally developing and language impaired children. Paper presented at the 4<sup>th</sup> International Conference on Greek Linguistics, University of Cyprus, Nicosia, Cyprus.
18. **Petinou K.** (November, 1999). Phonological patterns in two groups of Cypriot-Greek speaking children. Paper presented at the National Conference of American Speech Language & Hearing Association, San Francisco, CA.
19. Terzi, A. & **Petinou K.** (August, 2000). The position of clitics in early language and specific language delay. Paper presented at Linguistic Theory, Speech & Language Pathology, Padova, Italy.
20. **Petinou, K.** & Hadzigeorgiou, L. (October, 2000) Plural suffixation skills in Cypriot children with specific language impairment: two competing hypotheses. Paper presented at the 1<sup>st</sup> Conference on Modern Greek Dialects and Linguistic theories, University of Patras, Greece
21. **Petinou, K.** & Terzi, A. (November, 2000). Language characteristics of Cypriot Greek children with specific language impairment. Paper presented at the 8<sup>th</sup> International Annual Conference of the Greek Association of Logopedics, Athens, Greece.
22. Okalidou, A., & **Petinou, K.** (September, 2001). The development of voice onset time in Greek and Cypriot Greek preschoolers: A cross sectional investigation.

Paper presented at the 5<sup>th</sup> International Conference on Greek Linguistics, University of Sorbonne, Paris, France

23. **Petinou, K.** & Hadzigeorgiou, L. (July, 2002). Plural suffixation skills in Cypriot-Greek speaking children with specific language impairment. Paper presented at the International Conference on Language Disorders of the Society for Research in Child Development, University of Madison, Madison, WI, USA.
24. **Petinou, K.** (August, 2002). Phonological and lexical characteristics of Cypriot-Greek late talking children. Paper presented at the 12<sup>th</sup> International Conference on Quality in Early Childhood, EECERA, University of Cyprus, Nicosia, Cyprus.
25. **Petinou, K.** & Okalidou A. (November, 2004). Phonological skills in Cypriot-Greek children at risk for chronic language deficits. Paper presented at the European Conference On Advances in Special Education, University of Macedonia, Thessaloniki:GR.
26. **Petinou K.,** & Anastasiadou, V. (July, 2005). Linguistic skills and genetic history in late talking toddlers. Paper Presented at the X International Congress for the Study of Child Language, Berlin.
27. **Petinou K.,** & Anastasiadou, V. (January, 2006). Language and genetics ion the prognosis of children with delayed speech ages 28-36 months. Latsis Colloquium, University of Geneva, Switzerland.
28. **INVITED Petinou K.** (February, 2007). "The bilingual child: one child two languages" Presentation for European Day of Speech Therapy, Nicosia.
29. **Petinou, K.** (July, 2007). Language of late talkers. Teleconference presentation, Flinders University, Australia.
30. **INVITED Petinou, K.** (April, 2008). The significance of early language delay: Myth or reality? Pancyprrian Conference on Child Development, Cyprus Rediatric Association.
31. **Petinou, K.,** Kapsou, M., & Konstandinou, A. (May, 2008). Prognostic factors in late talking toddlers. Paper presented at 1<sup>st</sup> Panhellenic Conference in Developmental Psychology, Philosophiki Sxoli Athinon, Elliniki Psixologikh Etairia.
32. **INVITED Petinou, K.** (March, 2009). Topics in language development: the acquisition of the voicing contrasts in Cypriot children. Guest Lecture for graduate level seminar course: Language Acquisition. Department of English Language and Literature, University of Cyprus.

33. **Petinou, K.**, Tsimpli, M.I., Mastropavlou, M. (April, 2009):Grammatical skills in Greek and Cypriot children with Specific Language Impairment: A comparison study. Paper to be presented at 19<sup>th</sup> International Symposium on Theoretical and Applied Linguistics, April 2-5, Aristotelion University, Thessaloniki.
34. **Petinou, K.** (May, 2009) The acquisition of past continuous by Cypriot children with SLI: The surface hypothesis revisited. Paper to be presented at the 9th International Symposium of European Association of Speech Therapists, Slovenia.
35. **INVITED Petinou, K.** (June ,2009). Theoretical frameworks, research findings and clinical application in Specific Language Impairment. Invited Speaker by Faculty of the graduate program in Social Studies and Education, University of Macedonia, Greece.
36. **INVITED Petinou, K.** (November, 2009): Phonological and lexical skills of bilingual language disordered children Paper to be presented at panel session during the Third International symposium of IALP on communication disorders in multilingual populations, November, 6 7 8, Agros Village, Cyprus.
37. **INVITED Petinou, K.** (December, 2009). Theoretical and clinical issues in early language delay. Paper presented at University of Cyprus, Department of Educational Sciences, EPA invited speaker lecture series.
38. Mastropavlou, **Petinou**, Tsimpli (August 2010). IALP International Conference Clitics and inflections in Greek SLI. Athens, Greece.
39. **Petinou, K.** (April, 2011). Persistence of phonological process use in preschoolers with late onset of expressive language. Paper presented at 13<sup>th</sup> Panhellenic conference on applied and theoretical Linguistics, Aristotelion University, Thessaloniki, Greece.
40. **Petinou, K.** (May, 2011). Initial consonant deletion and lexical access in late talkers. Paper presented at 3<sup>rd</sup> European conference on child language disorders, EUCLIDIS, Chalkidiki, Greece.
41. **INVITED Petinou, K.** (October, 2011). Speech characteristics of children with velum-cardio-facial syndrome, cleft palate and velopharyngeal incompetence. Paper presented at the annual workshop on child speech disorders of the Cyprus Pediatric Company, Limassol, Cyprus.
42. **Petinou, K** (April, 2012). Clinical supervision guidelines in Speech Pathology. Paper presented at the 12<sup>th</sup> Panhellenic Association of Logopedists, Athens.

43. **Petinou, K.** (April, 2012). Lexical development measurement checklists in Cypriot-Greek speaking toddlers: a longitudinal investigation. Paper presented at the 12<sup>th</sup> Panhellenic Association of Logopedists, Athens, April 26, 2012.
44. **INVITED Petinou, K.** (June, 2012). Theoretical perspectives in cross-linguistic language phenotypes in Specific Language Impairment. Tel Aviv University, IALP, Symposium on child language disorders, Tel Aviv Israel, June 26 2012
45. **Petinou K. & Spanoudes, G.** (August, 2013). Language Outcomes of early language delay: Predictive Factors: Round Table Panel Presentation: Brain Cognition and Language connections, 29<sup>th</sup> Congress of the International Association of Logopedics & Phoniatics, Turin, Italy, August 28, 2013.
46. **Petinou, K** (October, 2013). Early Language Development in late talkers: Diagnostic Parameters and Language Outcomes and ten years of research. Paper presented at the Doctoral Program Seminar, School of Health Sciences, Nursing, Cyprus University of Technology, October 18, 2013.
47. **INVITED Petinou, K (March, 2014).** “One child two languages”, Paper presented during the European Speech Pathology Awareness Day, Cyprus Association Of Registered Speech Pathologists, Nicosia, March 6<sup>th</sup> 2014
48. **Petinou, K.** (April, 2014) Otitis media and its impact on early language development Pancyprian Conference “Educating Parents” organized by the Pediatrics .com., April 17, 2014
49. **Petinou, K.** (September, 2014) Topics and parameters in diagnosis of communication disorders: An introduction to the DSM IV and ICD-10. Topics in Rehabilitation Sciences, Language Center, Cyprus University of Technology, September, 25, 2014
50. **INVITED Petinou, K. (June, 2014).** Speech Development in Cypriot-Greek speaking children: Clinical and Theoretical Perspectives, THE HOUSE OF CYPRUS [TO SPITI TIS KYPROU], Funded by the Cyprus Ministry of Education and Culture, Athens, Greece, June 2<sup>nd</sup> 2014.

85. **Petinou, K.** (August, 2019). Promoting speech intelligibility in preschoolers with ASD: The role of phonological density neighborhoods. Paper presented at the 31<sup>st</sup> International Congress of the International Association of Logopedics & Phoniatrics IALP, 18-22 August, 2019, Taipei, Taiwan.
86. **Petinou, K.**, Giannikas, C.N., Athansiou, A. & Savva, E. (August, 2019). Analyzing Personal Narrative skills in children across pathologies. Paper presented at the

International Symposium of Monolingual and Bilingual Speech ISMBS, August 27-31, 2019, Chania, Crete, Greece.

87. **INVITED** Petinou, K. (April, 2020). "From theory to practice and from sound to meaning", Invited talk at the weekly colloquia series, Department of Speech and Language Therapy, Gallaudet University, Washington, DC, USA. To be presented online due to COVID-19 cancellation of face to face meetings.
88. **INVITED Petinou, K.** (April, 2020). "Challenges in promoting awareness for Communication Sciences and Disorders across the globe" Invited talk at the weekly colloquia series, Department of Speech and Hearing Sciences, City University of New York, Graduate Center, New York, NY, USA. To be presented online due to COVID-19 cancellation of face to face meetings.
89. **INVITED Petinou, K.** (April, 2020). "Promoting speech intelligibility in preschoolers with speech sound disorders: Applying lexical organization models in Rehabilitation Sciences", Invited talk at the weekly colloquia series, Department of Speech and Hearing Sciences, City University of New York, Graduate Center, New York, NY, USA. To be presented online due to COVID-19 cancellation of face to face meetings.
90. **Petinou, K.** (May, 2020). "Treating Speech Sound Disorders via theory motivated and evidence-based practice". Workshop to be presented at the 11<sup>st</sup> International Conference of the Panhellenic Association of Logopedics "Creating Bridges", Thessaloniki, Greece, May 22-24, 2020. Moved to May 2021.
91. Theodorou, E., Giannikas C.N., Athanasiou, A., & **Petinou, K.** (May, 2021). Narrative microstructure in Typically Developing children in Cyprus. Workshop to be presented at the 11<sup>st</sup> International Conference of the Panhellenic Association of Logopedics "Creating Bridges", Thessaloniki, Greece, May 22-24, 2020. Moved to May 2021.
92. Tzambatazakis, I., **Petinou, K.**, Okalidou, A (May, 2021). Development of Voice Onset Time Greek-Speaking Toddlers, Workshop to be presented at the 11<sup>st</sup> International Conference of the Panhellenic Association of Logopedics "Creating Bridges", Thessaloniki, Greece, May 22-24, 2020. Moved to May 2021.
93. **INVITED: Petinou, K.** (October, 2021). Oral presentation webinar online: Developmental Language Disorders and Speech Sound Disorders where do they overlap and where do they meet? IALP workshops series presentations. Child Speech Committee IALP

94. INVITED: **Petinou, K.** (April, 2022). Multiple baseline single subject research across pathologies. City University OF New York (CUNY), Graduate Center. Colloquial Series.
95. INVITED: **Petinou, K.** (April, 2022). Diagnostic and intervention practices in ASD, a lifelong assessment issue. St. Johns University, NY, Department of Communication Sciences and Disorders.
96. INVITED: **Petinou, K.** (April, 2022) Diagnostic and intervention practices in ASD, a lifelong assessment issue. Seton Hall University, New Jersey, USA.
97. INVITED: **Petinou** (June,2022). Assessment tools in children with Cochlear Implants. National Conference on Hearing Impairment, Cyprus Ministry of Health.
98. **Binos., P, Michael., N., & Petinou,** (May, 2022). Use of the LENA system to study language environment in a Cypriot-Greek-speaking typically developing child and a child with Cochlear Implant Conference: European Speech and Language Therapy Association Congress 2022, Salzburg, Austria
99. **Petinou, K.** (May, 2022). Speech sound disorders and rehabilitation in children with speech sound disorders across pathologies. Poster presented at European Speech and Language Therapy Association Congress 2022, Salzburg, Austria.
100. **Economou , A., K. Petinou , M. Helidoni , A. Okalidou , G. Polykandrioti , A. Fitsiou** (June, 2021). The Cyprus Greek Lexical List (CYLEX) for Infants and Preschool Children: Preliminary Analyses from Greece and Relationship with Receptive Language **6<sup>th</sup> BIENNIAL MEETING OF THE INTERNATIONAL SOCIETY FOR THE STUDY BEHAVOURAL DEVELOPMENT (ISSBD) June 21<sup>st</sup>-26<sup>th</sup>, 2020, Rodos Palace Hotel, Island of Rhodes, Greece**
101. **Binos., P, Michael., N., & Petinou, K.** (July, 2022). Use of the LENA system to study language environment in a Cypriot-Greek-speaking typically developing child Conference: Poster presented at the 1<sup>st</sup> Pancyprian Conference of the Cyprus Association of Registered Speech and Language Pathologists: Disorders Research and, Innovation SYEL, Nicosia, Nicosia, Cyprus .
102. **Antoniou, K, Petinou K.,** (July, 2022). Multilingualism and bilingualism in Autism Spectrum Disorders: Tools Clinical characteristic and Diagnostic Tools.

Paper presented at the 1<sup>st</sup> Pancyprrian Conference of the Cyprus Association of Registered Speech and Language Pathologists: Disorders Research and, Innovation SYEL, Nicosia, Nicosia, Cyprus.

### **SEMINARS & WORKSHOP PRESENTATIONS:**

1. **Petinou, K.** (December, 2002). **Educational Seminar: The application of linear and non-linear phonological theories on speech and language disorders.** The Cyprus Association of Logopedics, Nicosia, Cyprus.
2. **Petinou K.** (June, 2005). In Staff-Training. Cyprus College. Students with Special Needs. **Dyslexia, Specific Language Impairment & Attention Deficit Hyperactivity Disorder.** Cyprus College.
3. **Petinou, K.** (November 2005). In Staff-Training, Makarios Hospital, Psychiatric Service Unit: **Alternative Communication: The Picture Exchange Communication System (PECS).** Introductory Workshop.
4. **Petinou, K.,** Theodorou, E. & Voniati, L. (December, 2005). Educational Seminar: **The phonetic system of Cypriot Greek and its use in the transcription of child speech.** Cyprus College in Association with Cyprus Association of Logopedics.
5. **Petinou, K.** (February, 2007). **Linear and non-linear theoretical models in child disordered speech.** Clinical seminar and workshop. Cyprus College
6. **Petinou, K.** (January 2009). **Research findings and clinical application of data for children with late onset of expressive language and the significance of early intervention.** Clinical Seminar Workshop, European University Cyprus
7. **Petinou, K.** (December, 2012). Early phonological and speech characteristics in Developmental Apraxia of Speech: **Research findings, clinical application and differential diagnosis.** Clinical Seminar Workshop, European University Cyprus
8. **Petinou, K.,** (September, 2014). Educational Seminar: **Differential Diagnosis in Developmental Apraxia of Speech.** Workshop organized by the Cyprus Association of Logopedics.

9. **Petinou, K., & Minaidou, D** (December 2015). Clinical Training Seminar: **Neurobiological bases of ASD, Joint attention and early intervention guidelines.** Workshop organized by the Cyprus Association of Logopedics.
10. **K. Petinou, K.** (June 2015). Clinical Training Seminar: Effective practices in phonological awareness to facilitate early reading and spelling success in children with speech sound disorders, **IALP-Child Language Committee** Composium, 26-27 June 2015
11. **Petinou, K.** (December, 2019). Language Assessment Battery in Cyprus ages 2-5 years: Pilot Data. Mini workshop, **Cyprus Association of Speech Language Pathologists.**
12. **Petinou, K.** (May, 2020). Workshop: From sound to meaning and from theory to clinical practice: Promoting Speech Intelligibility in Greek speaking children with Speech Sound Disorders. **Presented at the 14 National International Conference “Bridges of Communication”** of the Hellenic Association of SLTs, Thessaloniki, Greece.
13. **Petinou, K.** (June, 2021). Workshop: **Promoting better speech skills in children with multiple speech errors.** Cyprus Association of Speech Therapists.
14. **Petinou, K.** (February, 2022). Two-day Workshop: **Promoting better speech skills in children with multiple speech errors.** Panhellenic Association of Speech Pathologists.
15. **Petinou, K** (June, 2022) Workshop webinar titled: **Neurobiological bases of ASD and the clinical impact.** European Speech Language Association ESLA.

**CONFERENCE ORGANIZATION & SCIENTIFIC COMMITTEE MEMBER:**

1. October 2003 Organizer: The “Achenbach Mental and Communication Scale in assessing children and adults with developmental disabilities”, Cyprus Institute of Neurology & Genetics

2. May 2006: Scientific Committee International Conference on theoretical linguistics: EDGES IN SYNTAX, Cyprus College, May 2006. With Noam Chomsky as the Key Note Speaker
3. November 2009: Member of the Organizing committee of the 3<sup>rd</sup> International Symposium of Communication Disorders of the International Association Logopedics and Phoniatrics (IALP), Agros, Cyprus.
4. June 2010: Organizing committee and abstract reviewer, European University 1<sup>st</sup> International Conference on cross-linguistic issues in Specific Language Impairment, Nicosia, Cyprus.
5. April 2012: Organized the seminar on Phonatory Disorders: Medical characteristics and clinical rehabilitation. European University Cyprus.
6. August 2012: IALP World Congress, Torino, Italy, Member of the Child Language Scientific Committee and abstract Reviewer.
7. September 2012: Organized the seminar: Presbacusis: Audiometric, audiological and language rehabilitation issues.
8. October, 2013: Organizing Committee with the collaboration of the Cyprus Association of Registered Speech and Language Therapist: Applied Behavioral Analysis and the role of the speech therapy in the management of children with autism spectrum disorders. Hilton Park Hotel, Nicosia
9. May 2014: Scientific committee member and abstract reviewer: Conference of Greek Language Disorders, organized by the department of Rehabilitation Sciences, Program in Speech Pathology, Cyprus University of Technology.
10. July, 2014 : Organizing committee and abstract reviewer, 11<sup>th</sup> Conference of Neuropsychology, Special Interest Group of the World Federation For Neuro-rehabilitation (WFNR), Elias Beach Hotel, Resort Hotel, Limassol, Cyprus
11. November 2014: Organizing Committee. Current Trends in Rehabilitation Sciences in Adult Populations in Cyprus, co-organizer with EOKA MELATHRON AGONISTON & the department of Rehabilitation Sciences, Program in Speech Pathology, Cyprus University of Technology

12. June 2015: IALP Composium: Literacy and language interphases across cultures, Thessaloniki, June 2015
13. October 2016: Dissemination Conference of the COST Action IS1406: Enhancing children's oral language skills across Europe and beyond, October 7-10, Limassol, Cyprus University of Technology, Cyprus.
14. December 2017: Member of Organizing Committee "Diagnostic issues in Pediatric Communication Disorders". Workshop/Conference, Department of Rehabilitation Sciences, Cyprus University of Technology.
15. November 2019: Organizer and scientific committee member: Multidisciplinary issues in the rehabilitation of Children with cranio-facial anomalies with "Synergy" Foundation, "Chrysallida" and "Medicleft" foundations, Cyprus University of Technology.
16. July, 2022. Scientific Committee member, First Pancyprian Conference of the Cyprus Association of Registered Speech Language Therapists titled 'Research and Innovation'.

**EDITOR & REVIEWER:**

1. 1998: Student Reviewer: Journal of Speech and Hearing Research
2. 2008: Abstract Reviewer for the International Congress of child language development and language disorders 9<sup>th</sup> CLPOL congress, Ljubljana, Slovenia.
3. 2009: Book Chapter Reviewer, Language Disorders, Epikentro Publications, Okalidou Stavrakaki & Vogindroukas (Eds.)
4. 2009: Abstract Reviewer for the International Congress of child language development and disorders 9<sup>th</sup> CLPOL congress, Ljubljana, Slovenia
5. 2010: The International Symposium of Theoretical and Applied Linguistics, Aristotle University of Thessaloniki. Studies in Greek Linguistics, Aristotle University Of Thessaloniki.
6. 2010: Organizing committee and abstract reviewer, European University 1<sup>st</sup> International Conference on cross-linguistic issues in Specific Language Impairment, Nicosia, Cyprus
7. 2012: Reviewer for selected volumes in CLINICAL LINGUISTICS AND PHONETICS

8. 2015: Reviewer for selected manuscripts in INTERNATIONAL JOURNAL OF LANGUAGE AND COMMUNICATION DISORDERS
9. 2017: Editorial Board COST ACTION ENHANCING ORAL SKILLS ACROSS EUROPE, PI James Law
10. 2018-2021: Associate Editor for selected volumes in FOLIA PHONIATRICA & LOGOPAEDICA

2017-Present      PhD Supervisor  
Phonetic, Syntactic and Lexical Interphases in Children with  
Conductive Hearing Impairment  
Marina Kallimachou  
Department of Rehabilitation Sciences  
Cyprus University of Technology

PhD Supervision  
Intensive theory based phonological intervention in SSD  
Elma Philippou  
Department of Rehabilitation Sciences  
Cyprus University of Technology

PhD Supervision  
Trans-disorder analysis of narrative skills  
Ioanna Stamellou  
Department of Rehabilitation Sciences  
Cyprus University of Technology

#### **MASTERS THESES**

2004-2007:      Phonetic and Phonological Development of Cypriot Greek  
Toddlers: A longitudinal study  
Elena Theodorou  
Master's Thesis External Advisor  
University of Sheffield, UK

2016-2017:      Tektonidou Varvara  
Morphosyntactic processing skills in high functioning Children  
with Autism  
Supervisor  
University of Macedonia, GREECE

Marilena Goungouri  
Sex differences and semantic profiling in typically developing  
Children through the use of a parental Vocabulary Checklist  
Supervisor  
University of Macedonia  
Thessaloniki, Greece

2018-2020: Georgiadou Eleftheria  
Microstructure skills of narrative abilities across pathologies  
Disorders  
Supervisor  
University of Macedonia  
Thessaloniki, Greece

Tzambazakis Iordanis  
Voice onset time in Greek-Speaking Infants  
Supervisor  
University of Macedonia  
Thessaloniki, Greece

Koronia Tzoulia  
Systematic Intervention in Child Apraxia of Speech  
Supervisor  
University of Macedonia  
Thessaloniki, Greece

**BACHELORS THESES**

Supervised more than 20 BSc Theses 2013-2020 Published  
under "KTISIS PLATFORM" CCyprus University of Technology.
